

Answers of A. L. Morton

Ans to Int 1st I was intimately acquainted with Daniel Elam from the year 1835 to the year 1846 - and partially acquainted with him until his death —

Ans to Int 2nd

I know of my own knowledge that he had three good American Horses in the Army - One of them extra fine, worth say 250.£ - the second Horse I think was worth say 150.£ - the third Horse worth say 100.£ - he lost the Horses as stated in the copy of the abstracts attached - I know nothing further relative to the correctness of the items in said abstracts of my own knowledge

Ans to Int 3rd

I know that when Daniel Elam kept a Hotel in the City of Matagorda that there were a great many Soldiers about his house - whether they paid him or not I do not know —

Ans to Crap Int 1st

I have stated above in my answers all that I know of my own knowledge in regard to the matter in question -
